Imagination is the spark that ignites the fire of creativity

Dear Principal

We at **Indraprastha**, exude an atmosphere where every child transforms into a creative thinker. Each child here is provided a canvas where she/he spills colours to create a unique picture. We inspire young minds to create their own world view. It is our belief that to create a spark we need to ignite minds. To keep the spark ignited, **Indraprastha** has taken an initiative to organize an Inter-School Virtual Online Competition ‘**Ignited Minds**’, to be held on **Wednesday, August 19, 2020**.

‘**Ignited Minds**’ is a creative endeavour to encourage young children, to bring forth their latent skills and intrinsic abilities. It is a platform for the young dynamic minds to apply the theoretical concepts in the most innovative way and demonstrate their creativity.

It is my pleasure to extend the invite seeking your students’ earnest participation to the mega online event. The details including the rules, regulations and the schedule of events have been enclosed herewith. You are requested to send the entries for the events latest by, **Friday, August 14, 2020** and complete the e-registration of the students in the various events, on the link provided.

Looking forward to an enthusiastic participation.

With warm regards

Dr. Rajesh Hassija
(Director)
