

Indraprastha INTERNATIONAL SCHOOL
Sector 10, Dwarka, New Delhi-110075

Dear Edu Leader

The Management, Staff and Students of **Indraprastha INTERNATIONAL SCHOOL**, in association with **Technobius – Tech Club of Indraprastha**, announce the Annual event, **iON 2022, a series of inter-school Techno Events on Friday, May 6, 2022.** (<https://youtu.be/5Wxok3lwHCU>)

As iON celebrates its 15th year of inception, we are proud to share with you that the competition witnesses the participation of over 1000 participants, from more than 60 schools, pan India. The event spans across a wide variety of domains, in the field of technology, namely, Website Designing, App Designing, Programming, Audio/ Video Editing, Game Development, to name a few.

The aim of the event is to expose the students to the new technological innovations in the academic domain, provide them a platform to share and showcase their technological acumen acquired during the unprecedented times of the pandemic, apart from instilling in them a healthy competitive spirit. The theme of the event this year is **‘Technophile: The New Voice of Society’**.

In the honour and memory of the educationist, philanthropist and visionary, Mr. S.K. Bhattacharya, this year’s Rolling Trophy for winners of the iON 2022, has been re-christened as ‘S.K. Bhattacharya Rolling Trophy’.

The event details along with all the rules and regulations are being shared with you.

Looking forward to your enthusiastic participation.

Warm regards

DR. RAJESH HASSIJA

(Managing Director)
